MICE and Ayurveda travel

Travel coordination with a clear purpose and a comfortable pace.

01 Meetings and incentives

02 Groups in India and abroad

03 Ayurveda themed journeys

Plan a journey that fits.

Special interest travel needs a schedule that serves its purpose. Our MICE and Ayurveda themed itineraries are starting points for group movements, stays, local experiences and practical travel planning.

1

Meetings

Build group travel around the meeting timetable, venue and delegate arrivals.

2

Incentives and events

Add a practical programme for group activities and time together.

3

Conferences and exhibitions

Coordinate transfers, stays and travel days around fixed sessions.

4

Ayurveda travel

Arrange the journey around a chosen provider's schedule and the traveller's stay needs.

BEFORE YOU BOOK

Medical suitability and treatment decisions belong with qualified clinicians. Share health records with the chosen provider, not through a travel enquiry. Final travel arrangements are confirmed in a proposal.
